DIVINE SPECTRUM

GRADES: NURSERY-V

ART IS NOT AN OBJECT, ART IS AN EXPERIENCE."

The Junior programme conducted an Art of origami craft activity for our little munchkins.

Students created different articles like - Fish, Tulips and Birds with origami sheets like under the guidance of their facilitators. The goal of the activity was to engage students in a creative and hands-on experience, fostering concentration, fine motor skills, and spatial awareness.

Shaping the future

"In today's life, Knowledge of computers is extremely important, and children should be very familiar with new advancements and technologies. Keeping this good thought in mind, our school guides children about various computer sessions and new technologies, providing new sessions to advance and become computer-friendly. This ensures that children are well-prepared to face any technical challenges in their future lives."

"मेरी पहेली, मेरी सहेली"

An enthralling riddle activity titled "मेरी पहेली, मेरी सहेली" designed to captivate students from Grade Nursery to II. This activity engaged the students by posing animal-related riddles, laying the groundwork for the challenges ahead. With minds buzzing and curiosity piqued, the children grasped the mechanics of riddle-solving, eagerly anticipating the adventure ahead.

Laugh Heartily

"A good Laughter makes you forget your troubles."

Junior Programme organized a Laugh Heartily activity for the students where students performed laughter acts and mimicry in front of their mates. A laughter yoga session was also conducted. The teacher briefed students about the importance of laughter which helps us to stay healthy and to reduce stress. The objective of this session was to reduce stress during exam time. Children thoroughly enjoyed with their friends and teachers. They were filled with happiness. A day well spent full of learning, fun and entertainment!!!

PENMANSHIP

"Penmanship is the art of expressing thoughts with grace, where the ink becomes a dance, and each stroke tells a story on the canvas of paper."

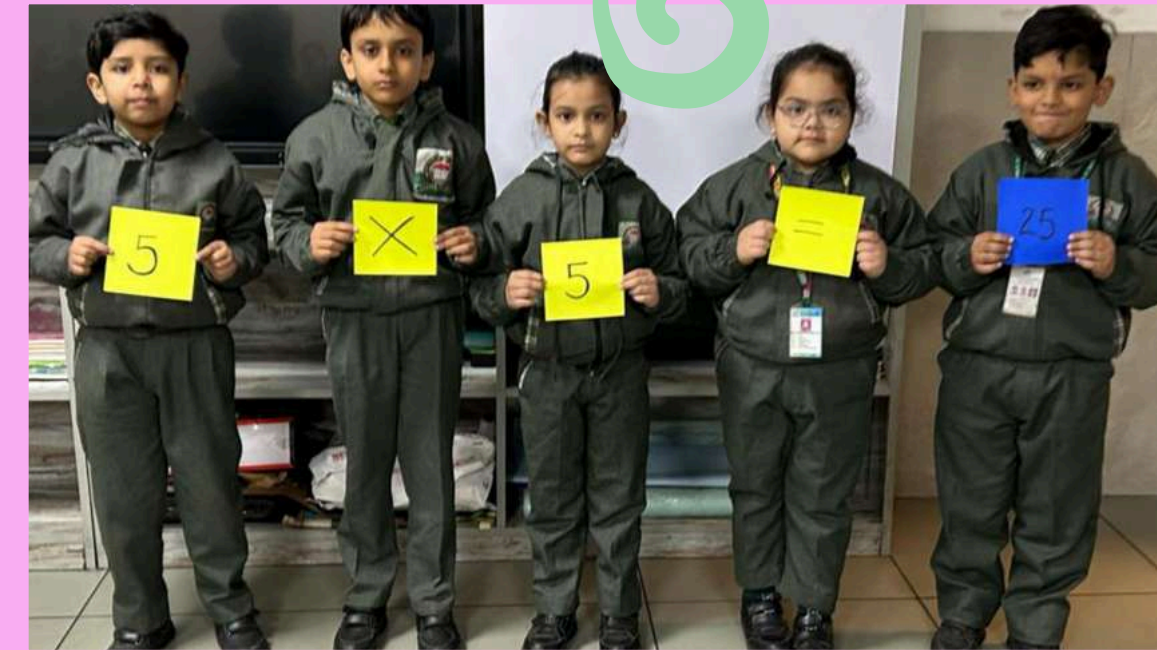

The penmanship activity unfolded across grades with tailored approaches, showcasing a developmental trajectory. In Nursery, little hands delicately traced rainbow shapes, honing fine motor skills with a burst of colours. Moving to KG, students embraced diversity in writing by practising their names in various fonts, fostering creative expression. Grade I students delved into the world of cursive writing, infusing it with the vibrancy of rainbow colours for heightened engagement. Finally, second graders elevated the challenge with a dynamic words bingo game, blending fun and learning seamlessly.

Fun with shapes and multiplication galore

In the hands of our little learners, shapes become the building blocks of imagination, creating a kaleidoscope of joy and learning."

The Yamuna House organized a delightful "Fun with shapes" activity for grades Nursery and KG and Multiplication Galore for grades I and II. The "Fun with Shapes" activity, showcased creativity as little ones crafted human figures using designed shapes. Meanwhile, I and II graders engaged in a dynamic "Multiplication Galore" session, fostering collaborative learning with peers. The event not only enhanced cognitive skills but also promoted teamwork, making it a memorable experience for both students as well as educators.

Pottery making

The pottery-making activity successfully achieved its goals of fostering creativity, patience, and a love for handmade treasures. It was more than just a craft session; it was a journey of exploration and self-expression for our junior program students. As the diyas and pots were proudly displayed, they not only represented artistic achievements but also stood as a testament to the power of hands-on learning in shaping young minds.

Evacuation drill

Regular drills aim to enhance safety and preparedness within the school community. The Evacuation Drill for grades Nursery to II went smoothly with teachers ensuring a safe and orderly process. Age-appropriate methods, including visuals and calm guidance, were employed. The Students cooperated well, and the use of visual aids during the drill contributed to a successful and educational experience.

Happy Purple day!

The Purple Colour Day was a delightful event organized for children to celebrate the enchanting qualities of the colour purple. The kids had a fantastic time engaging in various purple-themed crafts and activities, such as creating paper octopus, bookmarks, lilac paintings, and fork prints. Additionally, a captivating purple colour corner was set up for the students to observe various purple objects and shades, including grapes, berries, and flowers. The children even brought their own purple items and shared their thoughts on them. Overall, the Purple Colour Day activity was a tremendous success, effectively blending education and entertainment.

Republic Day

Mother Divine Public celebrated the 75th Republic Day with great patriotic fervor.

Mr A K Bakshi, the Academic Director of the school graced the occasion and hoisted the Tricolor the pride of the nation. The whole environment resonated with pride as students presented a cultural extravaganza depicting India's diverse culture, tradition and values. Cultural performances including folk dances and patriotic songs, added a colourful touch to the festivities. Students presented tableaux displaying diverse cultures and hues of various states of India, which filled the audience with great patriotic spirit. The function successfully fostered a spirit of national pride and unity among everyone, creating lasting memories of a memorable Republic Day celebration.

Tri-colour food activity

Cooking with kids is not just about ingredients, recipes and cooking but It's also about harnessing imagination, empowerment and creativity."

The Junior Program organised a special "Tricolour Food Display" activity, aligning with the spirit of patriotism and unity. The initiative fostered joy, creativity, and a shared love for the nation, showcasing cultural diversity and each child's unique talents. From tri-colour sandwiches to spin wheel sandwiches, students in different grades displayed remarkable creativity, leaving a lasting impression.

My Soldier , My Pride

“Nation First, Always First”.

The Junior Program celebrated the day when our country got its first Commander in Chief. Kids were shown the movie “ The Brave Soldier”. The children had a memorable time watching the movie with their friends.

The objective of this movie time session was to spread awareness, instill sense of patriotism, pride in children so that they grow up to respect the armed forces and have a sense of duty towards the country.

SCOUT AND GUIDE CAMP

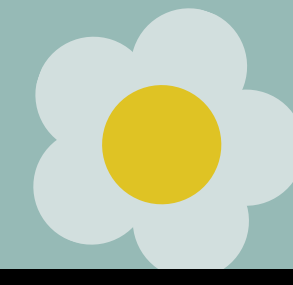

"Cook without fire- the ultimate way to fire up your taste buds."

Mother Divine Public School organized 'Non-fire cooking' for Scouts and Guides for the Middle Program. with full zeal and enthusiasm as they doled out nutritious yet delectable delicacies. They prepared yummy dishes like Bhel puri, sandwiches, sprouted bhel, vegetable salad, chats etc. It was conducted with a motive to create awareness about the nutritional value of food cooked without fire, the advantages of eating healthy food and staying away from junk food.

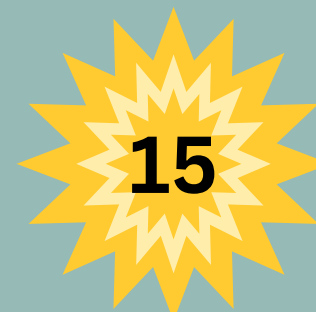

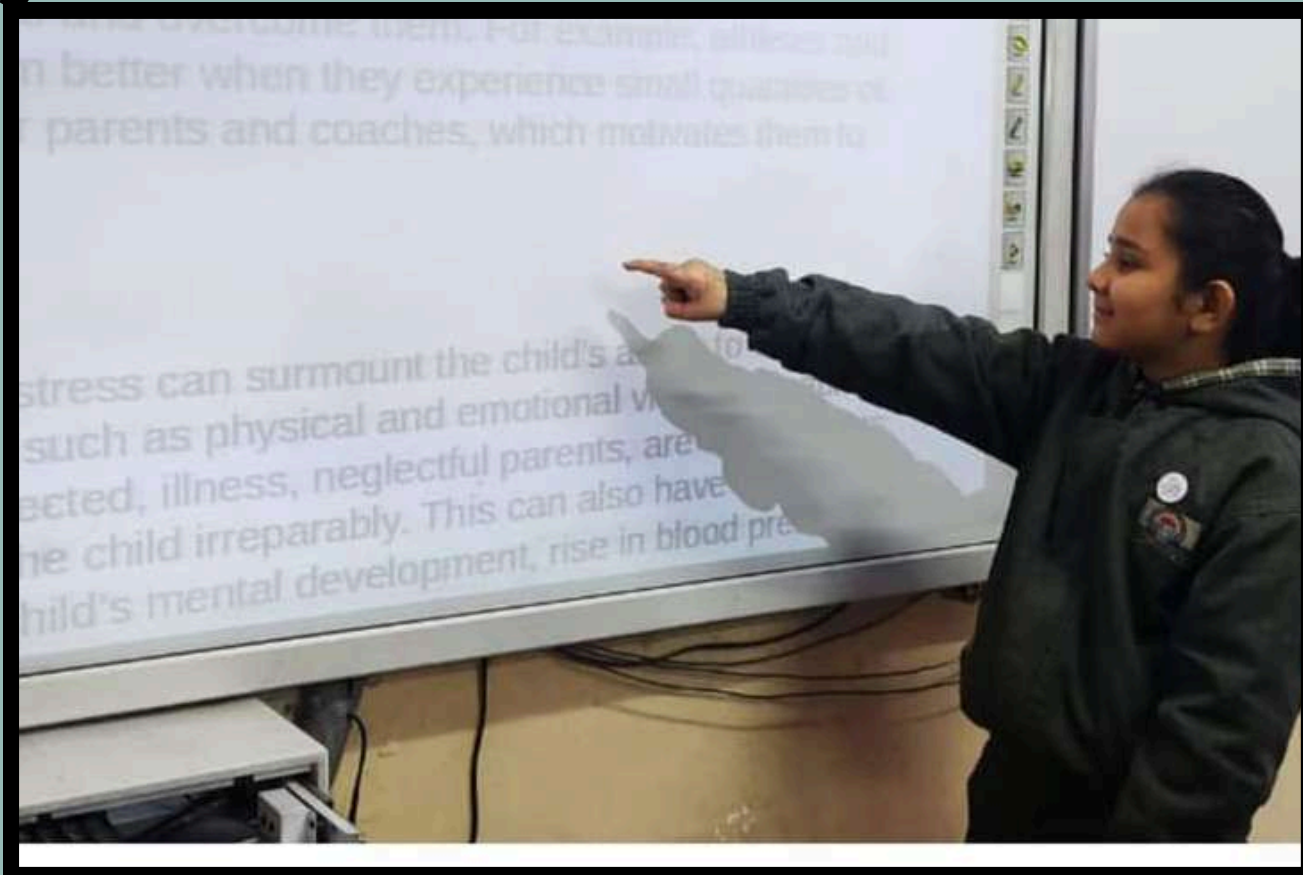

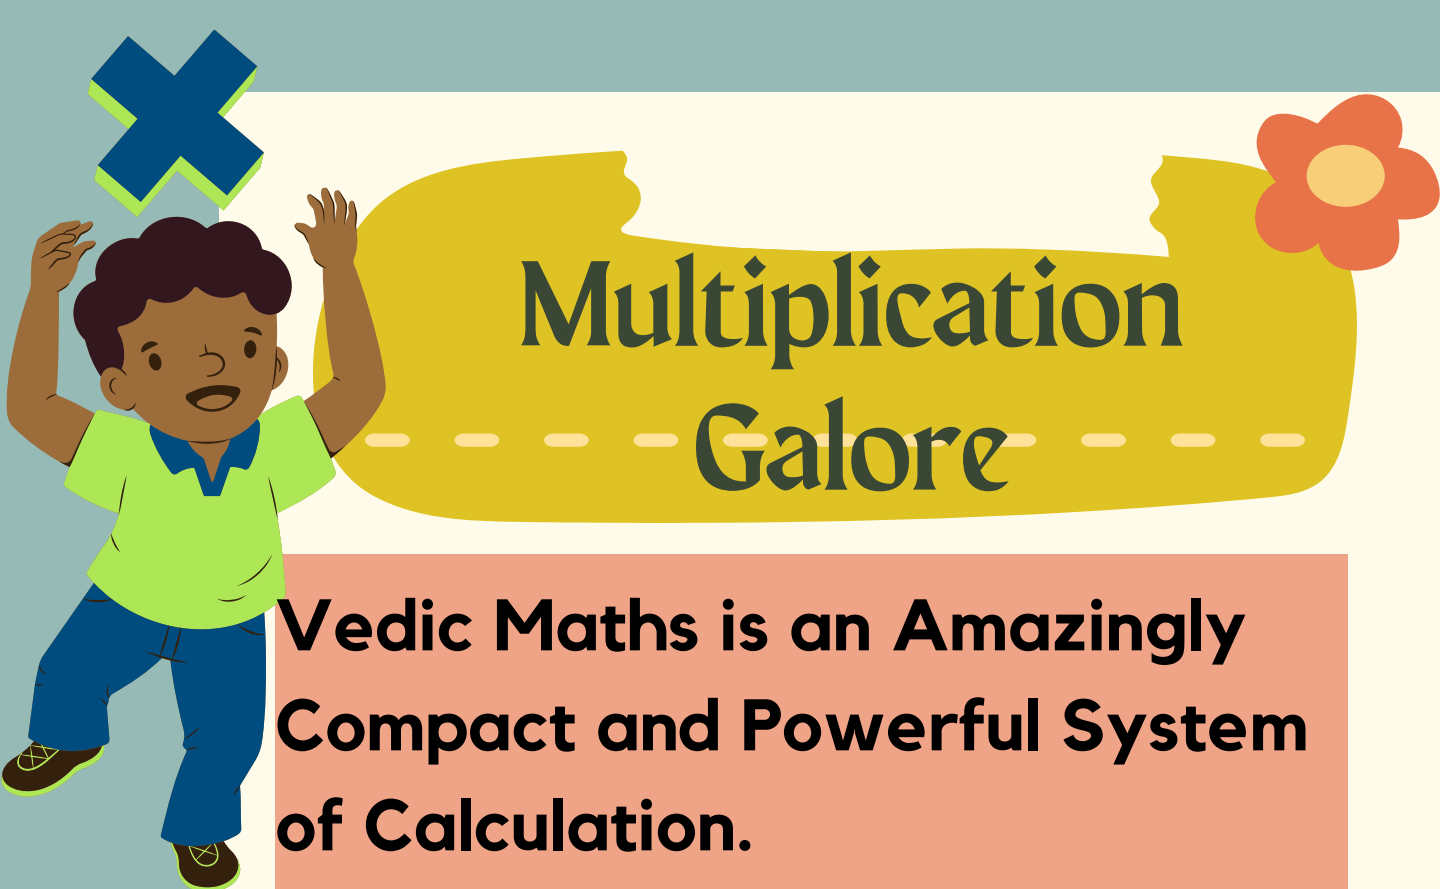

Beat The Stress

“Give your stress wings and let it fly away.”

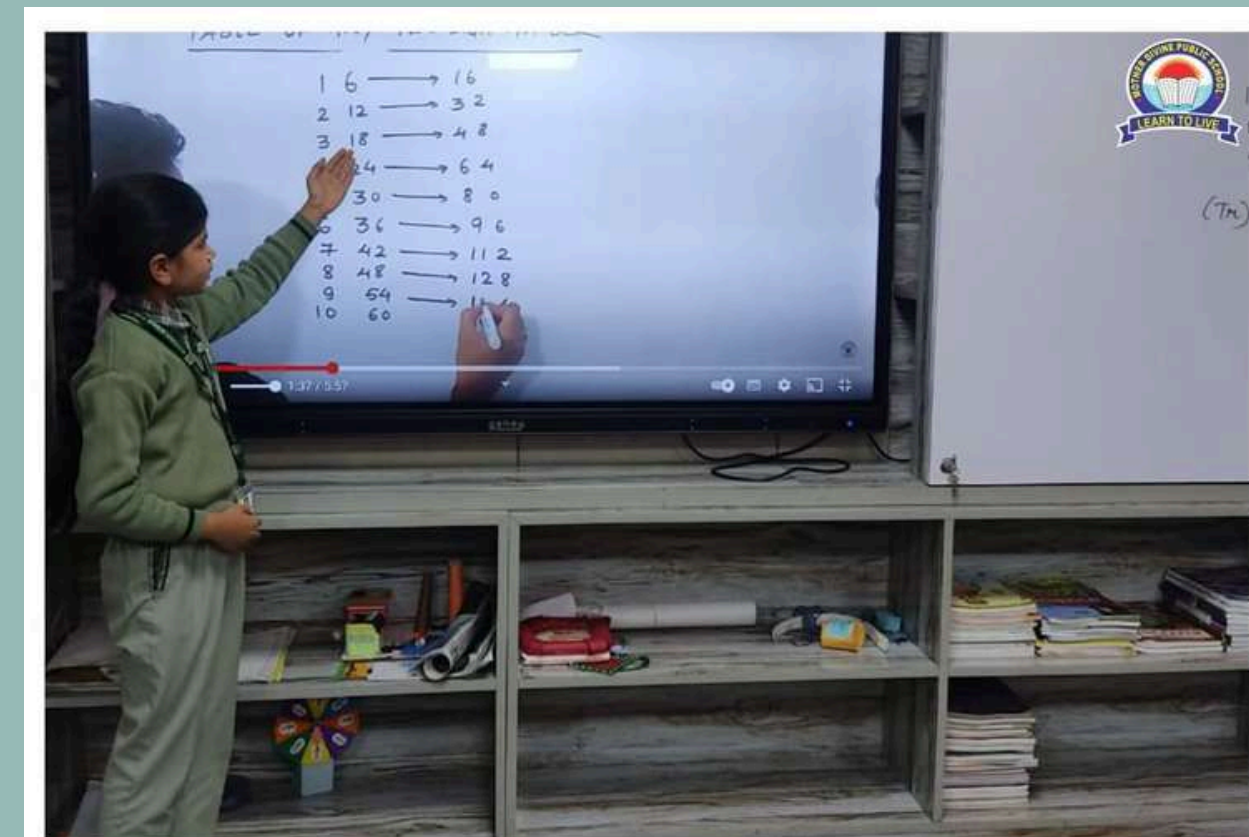

A workshop was conducted to “Beat the stress” for the students of Grades III- V . The workshop commenced with interactive sessions specifically designed to encourage discussions and explore real-life situations, with the central aim of relieving stress. A customized PowerPoint presentation was presented in every classroom, which greatly aided in the workshop's overall success in reaching its stress-relieving goals.

Vedic Maths is an Amazingly Compact and Powerful System of Calculation.

Vedic Maths turns Maths into a thrilling adventure – where every problem is a treasure hunt, and every solution is a victory dance! To acknowledge the same and provide holistic approach, a "Multiplication Galore" activity for the students of Grade III – V was organized. The primary objective was to apprise students of tricks that they could employ to make their calculations faster and accurate.

A decorative graphic featuring several abstract, organic shapes in white, teal, yellow, and orange-red on a teal background. The shapes are scattered across the page, with some resembling stylized letters or figures.

To ensure that our students become responsible global citizens by teaching them safe internet practices, an activity "Safer Internet Day" was organized for the students of Grades III - V wherein an informative presentation was shown to the learners. From cyber bullying to social networking, the activity inspired students to use technology thoughtfully, critically and creatively.

PAINT YOUR IMAGINATION

'Art is a place for children to learn to trust their ideas and to explore what is possible'

Free hand helps in the development of child's imagination as well as enhance hand-eye coordination and fine motor skills. With the aim to sharpen these skills, a free hand drawing and colouring activity titled "Paint your imagination" was conducted for the students of Grade III - Students imagined the world from their own perspective and made beautiful drawings with lots of interest and enthusiasm.

Evacuation Drill Activity

'We cannot stop natural disasters but we can arm ourselves with knowledge to protect ourselves'.

To create awareness and preparedness during calamities, an activity was organized 'Evacuation Drill' for the students of grade 5. They were sensitised through videos and mock drill that helped them to identify the threats and precautions needed to be taken to minimize the effects of natural disasters.

Republic Day

Celebrating the spirit of Democracy

The school celebrated 75th Republic Day with great patriotic fervor.

Mr A K Bakshi ,the Academic Director of the school graced the occasion and hoisted the Tricolour the pride of the nation.

The whole environment resonated with pride as students presented a cultural extravaganza depicting India's diverse culture, tradition and values. The event featured eloquent speeches, poems and skits, highlighting the significance of Republic Day. The program was successfully fostered a spirit of national pride and unity among everyone.

A tribute to Netaji Subash Chandra Bose

A great personality may die for an idea, but that idea after his death, incarnates itself in a thousand lives."

To honour and remember Netaji's indomitable spirit and selfless service to the nation, an activity 'A Glimpse of Glory' was organised for the students of Grades III to V. The students were shown the remarkable contribution of Netaji Subhash Chandra Bose in the journey of independent nation. This insight to the legendary life of the great leader became a source of inspiration, motivation and encouragement for all.

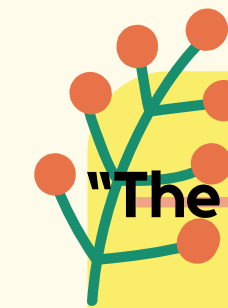

Zumba

"Zumba is where we dance like no one's watching."

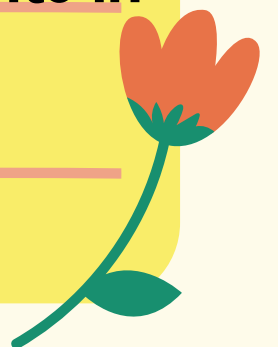

Zumba is being practised world wideowing to its health benefits, including mind relaxation, stress management, and physical fitness. With the aim of acquiring a healthy mind with a healty body , the School organized 'Zumba Session' for the students of Grades III – V . They tapped their feet on the beats of peppy music with their energetic performance. It was a great fitness activity that involved fun as it gave children a platform to jump, dance, shake and swing. It was an excellent way to incorporate fitness as a natural part of children everyday lives.

World of Words

"The world is waiting for your words."

To develop linguistic skills in our students, an activity – "World of Words" was organized for the students of Grades III - V wherein they were asked to make different words from some given alphabets along with their synonyms and antonyms. Students brainstormed and juggled with the letters to make all the possible arrangements in English alphabet for the creation of new words.

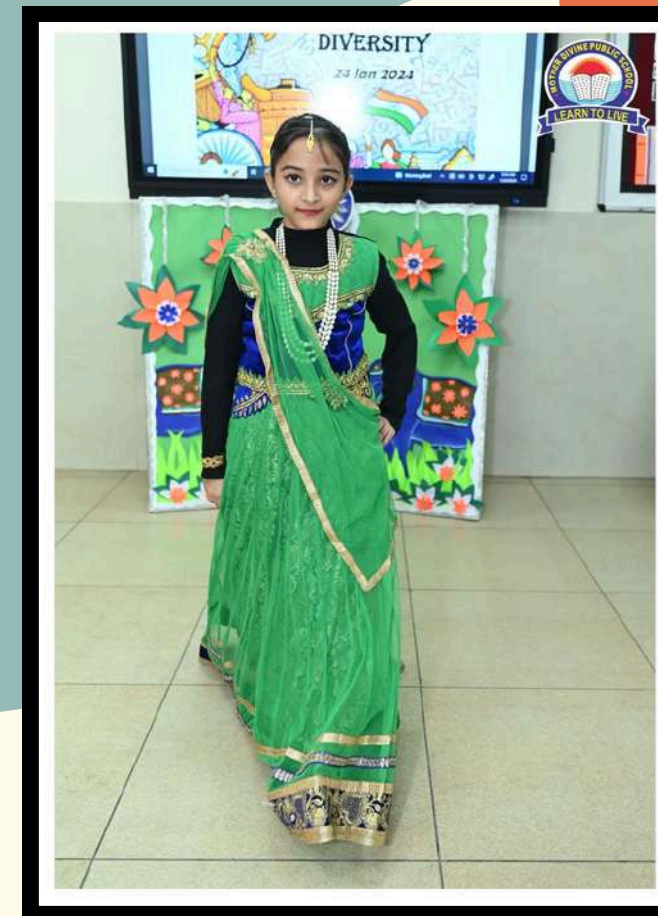

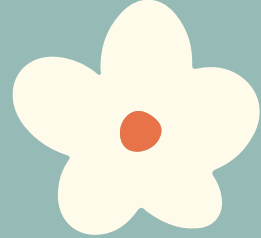

Flaunt your Diversity

'The beauty of the world lies in the diversity of its people.'

To spread the richness of Indian culture and to make the students know more about our diverse nation, an activity titled "Flaunt your Diversity" was organized for the students of Grades III to V. The students set the stage on fire as they participated in the multi-cultural ramp walk. It was a treat to watch as all the participants looked elegant in the traditional attire with an ethnic look and aesthetic jewellery.

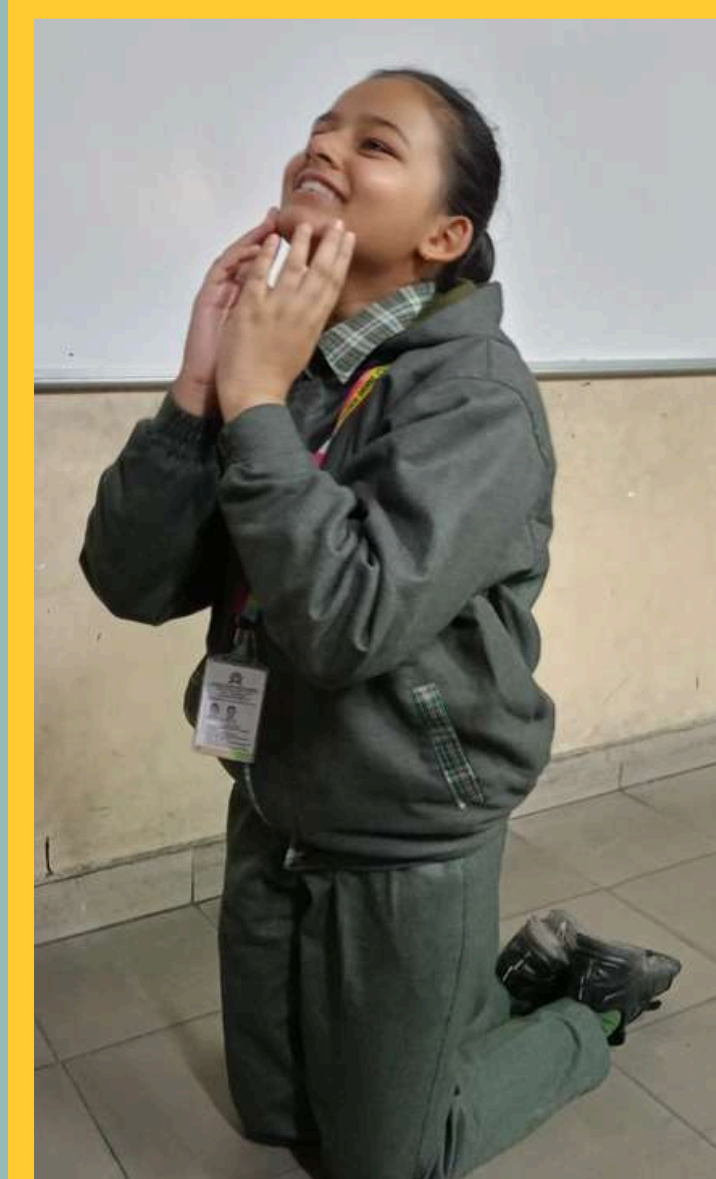

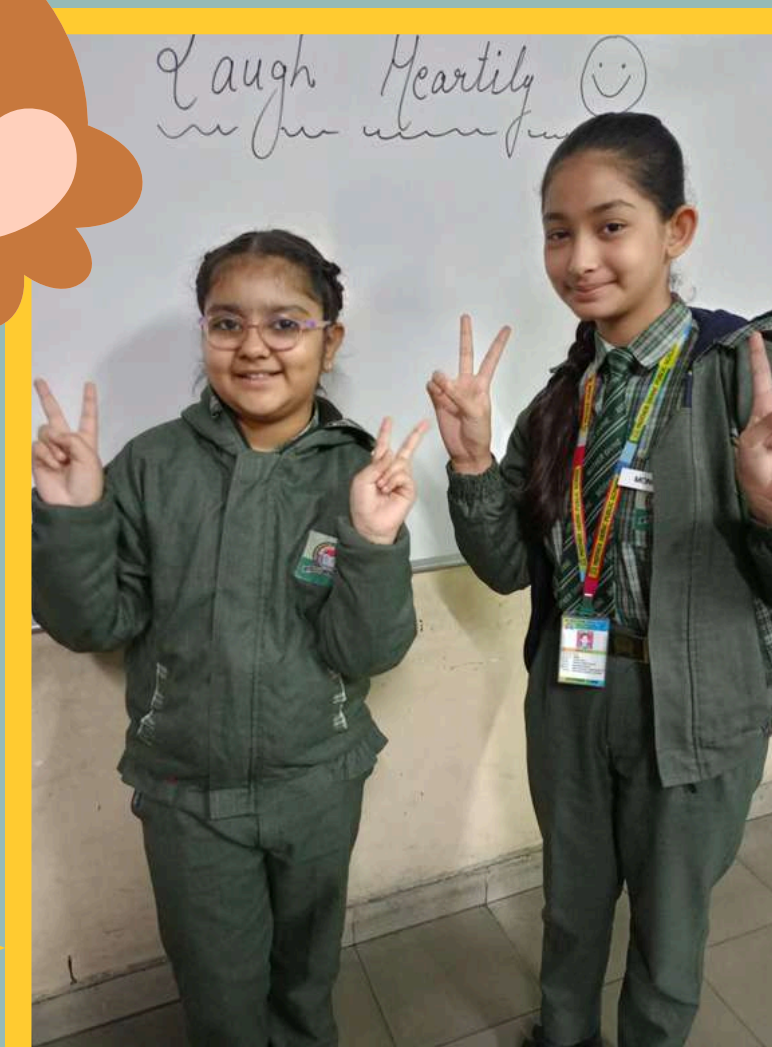

LAUGH HEARTILY

"Life is worth living as long as there's a laugh in it."

Laughter is undoubtedly the best medicine when it comes to mind and body. Keeping the above thought in mind, an activity "Laugh Heartily" was organized for the students of Grades III - V. The objective was to promote laughter and joy amongst the young participants, fostering a positive and lively atmosphere. The students enthusiastically participated through a diverse range of engaging activities, including jokes, funny act and role play, fostering a sense of joy and camaraderie among all attendees.

Dancing Divinians

Life is like dancing – it's not about getting from one step to another. It's about enjoying each step.

In co-curricular activities, dance holds its own importance. Children immensely enjoy dance, and through it, they gain exposure, confidently showcasing their talents. Their faces light up during dance sessions, displaying their happiness. These activities not only refresh and recharge their brains but also have academic benefits.

INTERACTIVE SESSION WITH HONOURABLE CHAIRMAN

'Education is not the learning of facts, but the training of the mind to think.'

Embracing this philosophy, the school recently orchestrated a distinctive educational session for its Just English Please students. The occasion marked an interactive and mesmerizing session with Dr. Manan Budhraja, the esteemed Chairman and Mr.A.K Bakshi Sir, the Academic Director . This engagement proved transformative as it not only imparted knowledge directly from the Chairman but also nurtured critical thinking skills among the students.

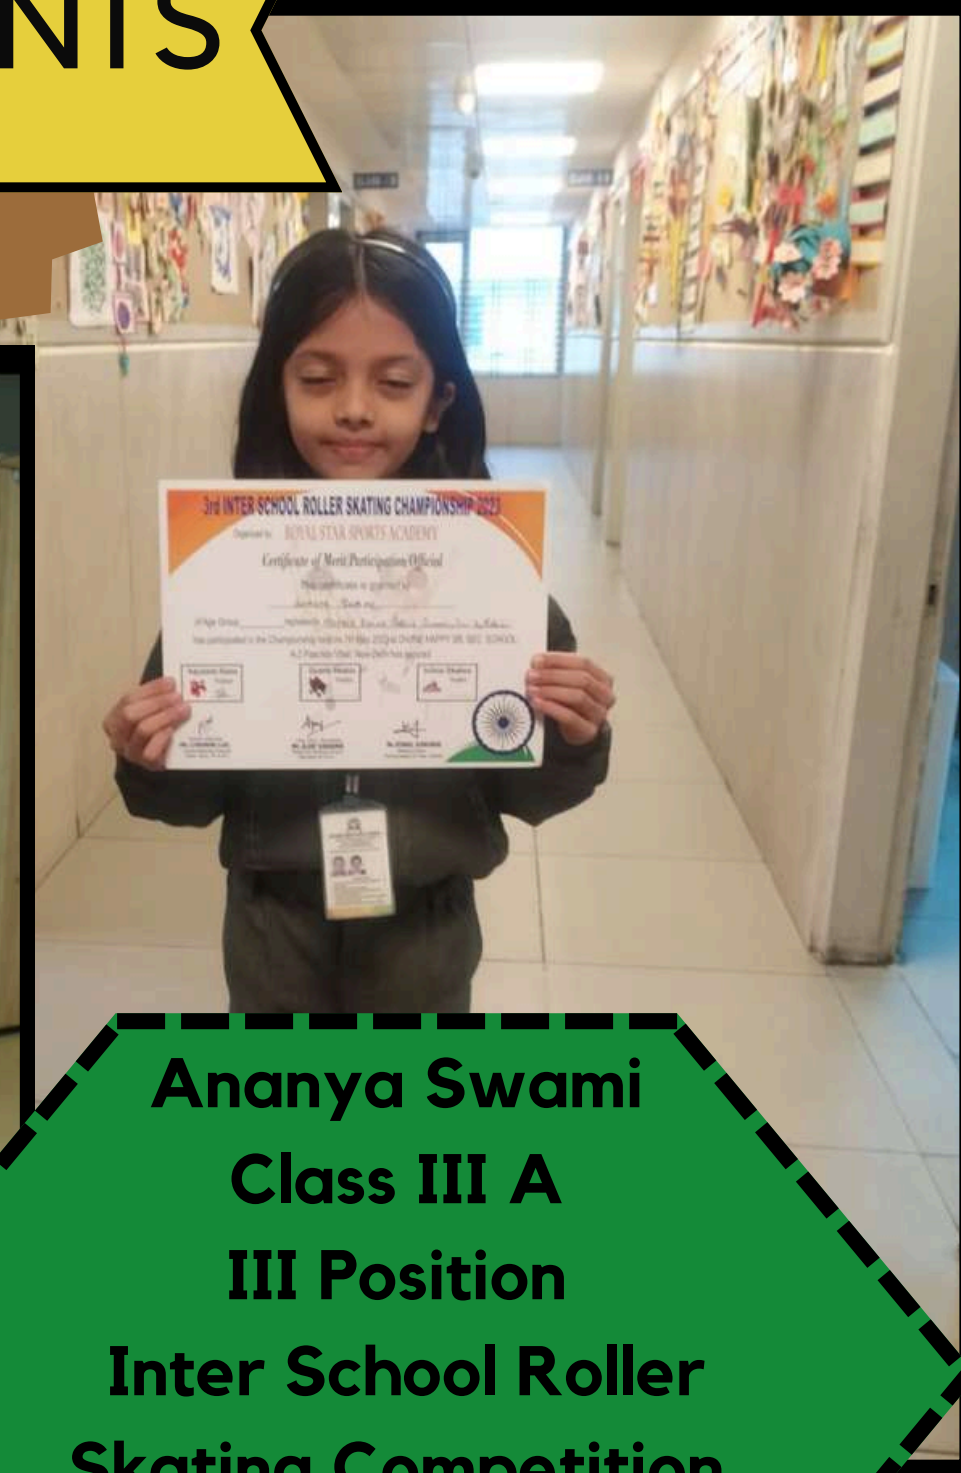

At the end of each school session, it becomes incredibly emotional and memorable, marking both the closure of a year and the beginning of a new chapter. To make this day even more memorable, our school planned various activities for the children, such as movie time, snacks time, and sharing their feelings with teachers. The children also expressed their emotions through art, making the day truly special. Both the children and teachers enjoyed this emotional day, celebrating their bond and readiness for the new beginning ahead.
