ARTICLE BY JUNIOR PROGRAMME HEAD

By Ms. Aastha Bhola, Head of Junior programme
MDPS (Nursery to Grade II)

“Nurturing the Roots: A Joint Journey in Early Childhood Education”

The earliest years of a child’s life are truly magical — a time of wonder, discovery, and the joyful innocence that lays the foundation for a lifetime of learning. At MDPS, we recognize that education for our youngest learners, from Nursery to Grade II, is not just about academics. It’s about nurturing the whole child — their mind, body, heart, and spirit.

The Power of Parent Partnership

No school can do it alone. A child’s first and most important teachers are their parents. When parents and educators work together, the impact is profound. We deeply value our partnership with families and believe open communication, mutual respect, and shared goals are the cornerstones of success. We encourage parents to take an active interest in their child’s school life — not just during meetings or events, but in everyday moments. Ask about their day, read together, play together, and most importantly, listen with your full attention. Your presence matters more than perfection.

Tips for Parents of Little Learners:

- **Build routines:** Young children thrive on structure. Consistent bedtimes, mealtimes, and study times help them feel secure.
- **Encourage questions:** Even the silliest "why?" is a sign of a curious mind. Celebrate their wonder!
- **Limit screen time:** Encourage real-world play and face-to-face conversations over digital entertainment.
- **Model behavior:** Children learn by watching. Show kindness, patience, and honesty in your daily actions.
- **Celebrate small wins:** A kind gesture, a new word spoken, or a drawing shared — acknowledge these little moments with joy.
- **Be patient:** Growth is not always visible, and every child moves at their own pace. Trust the process and keep encouraging them.

A Shared Vision

In these foundational years, we are not just teaching subjects — we are shaping lives. Together, as educators and parents, we are planting the seeds of lifelong learning, character, and compassion. Let us continue to walk hand in hand, creating a joyful, enriching, and meaningful journey for our children. Because when we nurture the roots with love and care, the tree will surely grow strong and beautiful.

FROM THE EDUCATOR'S DESK

Ms. Divya Gupta

"A teacher takes a hand, opens a mind, and touches a heart."

As a teacher, it brings me immense joy to share the progress of our little learners. Through thoughtfully planned activities, we have nurtured their confidence, curiosity, and creativity. Children have shown wonderful improvement in their writing skills and overall participation. We look forward to continuing this journey of growth and learning—one smile, one step, and one story at a time.

As a teacher, We are dedicated to nurturing every child's potential in a positive and encouraging environment. Each day, We strive to create opportunities that help our little ones grow academically, socially, and emotionally. Watching their progress fills me with immense joy and pride we feel a motherly instinct in every moment spent with them. Their laughter, curiosity, and achievements truly thrill me. Together, we celebrate every small milestone, and I am grateful to be part of their learning journey. Thank you for trusting me with your precious children and supporting their bright beginnings.

SHINING STAR

**NAME- KHUSHI
YADAV CLASS-KG-A
MONTH -APRIL**

Khushi is an active learner who excels in studies and contributes meaningfully in classroom activities.

**NAME- YAKSHIT
JAIN CLASS-KG-A
MONTH -MAY**

Yakshit is a bright and hardworking student who always does his best.

CLASSROOM CRONICLES

Big learning starts with small steps

Welcoming session 2025–26 (1st to 4th April 2025)

“Every child is an artist, the joy is in letting them explore.”

The new session began with joyful activities from 1st to 4th April 2025. Children were warmly welcomed with sticker badges and a school tour. They explored creativity through hand printing, clay play, and rainbow-making. A fun parachute game concluded the week, fostering teamwork, imagination, and fine motor skill development.

“I enjoyed this activity so much!”

Niyati said “Can we do this every day mam?”

Guaransh said “mne apna small hand print kiya!”

BAISAKHI CELEBRATION (11th April 2025)

“Celebrate traditions, sow seeds of learning.”

Students celebrated Baisakhi with great joy by wearing traditional attire and engaging in a crop-themed art activity. They learned about grains and farming through colorful artwork. The celebration beautifully combined learning with fun, helping children understand the harvest festival's cultural importance.

Yakshit said, “mam i like to dance on this Bhangra song”

We painted wheat fields in art class — mine has a rainbow!”

"I love dancing Bhangra with my friends!"

Prisha said, “Mam Look my yellow color dress I'm ready to celebrate!”

EARTH DAY (22nd April 2025)

"Every little hand can help heal the Earth."

On Earth Day, Students brought planters, planted saplings, and displayed creative posters with slogans about protecting our planet. These hands-on activities taught them the value of nature and how plants keep our Earth healthy. It was a joyful and meaningful experience, encouraging children to care for the environment.

Nurvi said, "today is Earth Day or aaj m green planter layi!"

Deeksha said, "mza aya aaj mne planting ki!"

LABOURS DAY

(1st May 2025)

"Every hand that works deserves respect and thanks."

On Labour Day, Students participated in a farming-themed activity to understand the dedication of farmers. They explored different farming tasks through hands-on learning and appreciated the effort behind growing food. The celebration helped instill respect for all workers and was a fun, meaningful experience for the young minds!

Labour Day is a time to appreciate every job

We gave our best to make this small token of love for labours day

Workers make the world a better place

RED COLOUR AND MOTHER'S DAY (9th May 2025)

Love shines brightest in little hearts and red smiles

Red Colour Day and Mother's Day were celebrated with excitement. Children came dressed in red and enjoyed acting out Little Red Riding Hood. They expressed love for their mothers by drawing them inside red hearts. The day was filled with creativity, storytelling, and heartfelt appreciation, making it truly special

INTERNATIONAL FATHER'S DAY (15th june 2025)

A father doesn't tell you that he loves you—he shows it in every moment spent together.

Parent Activity

On Father's Day, young learners and their dads enjoyed T-shirt painting with fruit and vegetable prints, exploring colours and textures. The activity fostered bonding, creativity, and lasting memories through shared joyful moments.

INTERNATIONAL YOGA DAY (21ST JUNE 2025)

“Yoga is the journey of the self, through the self, to the self.”

On International Yoga Day, a Zoom yoga session engaged young learners in simple poses and breathing exercises, promoting health, mindfulness, and body–mind connection, making the celebration both refreshing and joyful.

CREATIVITY AT IT'S BEST

A gentle start makes growing hearts.

The teacher introduced students through age-appropriate, fun-filled activities that encouraged interaction and engagement. Using games and stories, children felt comfortable and confident in the classroom. This interactive approach supported their social and emotional growth, building a joyful learning environment where every child felt valued and connected.

This is fun

This is my favourite part!

Let's work together
