Nurturing the Roots: A Joint Journey in Early Childhood Education"

The earliest years of a child's life are truly magical — a time of wonder, discovery, and the joyful innocence that lays the foundation for a lifetime of learning. At MDPS, we recognize that education for our youngest learners, from Nursery to Grade II, is not just about academics. It's about nurturing the whole child — their mind, body, heart, and spirit.

The Power of Parent Partnership

No school can do it alone. A child's first and most important teachers are their parents. When parents and educators work together, the impact is profound. We deeply value our partnership with families and believe open communication, mutual respect, and shared goals are the cornerstones of success.

We encourage parents to take an active interest in their child's school life — not just during meetings or events, but in everyday moments. Ask about their day, read together, play together, and most importantly, listen with your full attention. Your presence matters more than perfection.

Tips for Parents of Little Learners:

- **Build routines:** Young children thrive on structure. Consistent bedtimes, mealtimes, and study times help them feel secure.
- **Encourage questions:** Even the silliest "why?" is a sign of a curious mind. Celebrate their wonder!
- **Limit screen time:** Encourage real-world play and face-to-face conversations over digital entertainment.
- **Model behavior:** Children learn by watching. Show kindness, patience, and honesty in your daily actions.
- **Celebrate small wins:** A kind gesture, a new word spoken, or a drawing shared — acknowledge these little moments with joy.
- **Be patient:** Growth is not always visible, and every child moves at their own pace. Trust the process and keep encouraging them.

A Shared Vision

In these foundational years, we are not just teaching subjects — we are shaping lives. Together, as educators and parents, we are planting the seeds of lifelong learning, character, and compassion. Let us continue to walk hand in hand, creating a joyful, enriching, and meaningful journey for our children. Because when we nurture the roots with love and care, the tree will surely grow strong and beautiful.

**Tiny hands, big dreams
Learning through play and gleams.
From giggles to group time,
Every moment has been sublime.**

Each day in our nursery classroom is filled with joy, laughter, and little wonders! Watching the tiny tots explore, imagine, and grow brings endless happiness. From dancing and singing to storytelling and playful learning, children are blooming beautifully—one step at a time. With every new activity, they're becoming more confident, expressive, and curious. Their progress is the proudest achievement for us!

Tiny Steps, Big Dreams – Welcoming Session 2025–26 (1st to 4th April 2025)

“Every new beginning holds the promise of endless possibilities.”

The welcoming session was designed to help our little learners ease into their new school environment through joyful free play with toys, puzzles, and creative materials. This warm and inviting atmosphere encouraged emotional comfort, peer interaction, and familiarity with the classroom. Over the days, children settled in happily, began recognising their peers, expressed themselves openly, and showed growing confidence in handling materials independently—making for a smooth and cheerful start to the academic year.

Hardik -We started our school year with smiles, crafts, and lots of excitement.

Mayurakshi to Atharv -
We made new friends
and painted our
memories together!

Our tiny hands made
big art today!

Baisakhi celebration

(11th April 2025)

"Tiny feet tapped to the beats of tradition, sowing joy and harvesting memories."

On 11th April 2025, children joyfully celebrated Baishakhi, learning about its cultural and harvest significance. Dressed in vibrant Punjabi attire, they performed an energetic dance that reflected the festive spirit. A creative Golden Corn Art activity using finger printing added a hands-on element, encouraging imagination and artistic skills. The day was filled with cheer while fostering cultural appreciation, creativity, and a sense of teamwork among the students.

Stuthi and Hardik - We loved dancing to the beats of dhol

Earth Day (22nd April 2025)

No capes, just muddy hands — Earth's real heroes are here!"

On 22nd April 2025, children celebrated Earth Day with enthusiasm, learning the importance of caring for our planet. Arriving with small earthen pots from home, they joyfully planted saplings, creating their own mini gardens. With cheerful smiles and muddy hands, they experienced the joy of nurturing nature while understanding that even small actions can make a big difference. The day was filled with love for Mother Earth, fostering environmental awareness, responsibility, and teamwork among the students.

Workshop

Child Nourishment and Wellness

(25th April 2025)

"Strong bodies, bright minds — it all begins with a healthy bite!"

On 25th April 2025, a Child Nourishment & Wellness Workshop was conducted to promote healthy eating and overall well-being among young learners. Through interactive virtual sessions, educators guided students and parents on balanced diets, hygiene, and fitness. Fun activities and lively discussions kept children engaged while inspiring families to embrace healthier lifestyle choices. The session fostered awareness, healthy habits, and a shared commitment to supporting the children's brighter and stronger future.

We laughed, acted, and explored the world of stories in the very first week of school — it was magical!

Labour's Day (1st May 2025)

"Every helping hand builds the heart of a school."

On 1st May 2025, children celebrated Labour Day with warmth and gratitude, honouring the helping heroes who support their school each day. They expressed their appreciation by making handmade cards and singing a heartfelt thank-you song. The celebration nurtured respect for every role, reinforced the dignity of labour, and encouraged kindness and gratitude among the students.

Rupanshi - I loved making thank you card for the didi who cleans our class everyday.

Saatvik - Helping hands are happy hands - that's what we learned today!

Red Colour and Mother's Day (9th May 2025)

"Red hearts made by little hands filled with the biggest love."

On 9th May 2025, children celebrated Red Colour Day with excitement, engaging in fun red-themed activities and crafts. The story of Little Red Riding Hood made their connection with the vibrant colour more enjoyable. They also created beautiful Mother's Day cards by tearing and pasting red paper inside heart shapes, expressing their love through art. The celebration helped children identify the colour red, explore their creativity, and strengthen emotional bonds, making the day both meaningful and memorable.

Hardik Garg - We pretended to walk through the woods just like Little Red

Hardik Rai - I made big heart for my mamma with tiny bits. She will love it!

Yuvein - I wore a red costume and felt like a hero!

Father's Day (15th June 2025)

"A father's love is quietly powerful, shaping hearts with strength, care, and warmth."

On 15th June 2025, children celebrated Father's Day by lovingly designing Memory Cards filled with drawings, photographs, and heartfelt messages. They fondly reflected on special moments spent with their fathers—whether playing, sharing stories, or enjoying everyday routines. This meaningful parent activity encouraged artistic expression, deepened emotional bonds, and offered a heartfelt opportunity for children to express gratitude and love, creating memories to be cherished by both fathers and children.

Hardik - I loved how my dad lifted me high in the air. He is my superhero.

Sahej - I spent lovely time with my dad and felt really happy.

Creativity

Where little hands meet big ideas — creativity comes alive!

Children explored their creativity under the theme “Creativity by Little Hands” through a variety of fun-filled, hands-on activities such as painting, tearing, pasting, and building. With the guidance and encouragement of their teachers, each task became a joyful experience that helped them bring concepts to life. Adding to this, Show and Tell sessions gave children the opportunity to confidently express their thoughts and ideas in front of their peers. These engaging activities not only sparked imagination but also nurtured curiosity, confidence, and a love for learning, making every colourful moment meaningful and memorable.

Lakshika - I had fun following the objects and learning more about standing line.

Tavisha - It was fun threading pasta into the thread.
